

A Busby family have been honoured with an invitation from Haughholm Town Council to the Freedom Ceremony for astronaut NEIL ARMSTRONG, they are MR - MRS GEORGE ARMSTRONG WALKER who have a daughter GINA aged 17 and JOHN aged 14.

The invitation is a result of a letter almost 3 years ago from GEORGE to Haughholm Town Council suggesting that they should invite NEIL ARMSTRONG as Haughholm is considered the home of the Armstrongs.

The Town Clerk is MR EDWARD C. ARMSTRONG, naturally he was enthusiastic about the idea.

George tells me he is very proud of his Haughholm connections, his late mother MRS GEORGINA ~~WALKER~~ ARMSTRONG WALKER was born in Haughholm, but came to Glasgow during the depression in the Tweed mills, but after her marriage she always took the family back to Haughholm for the Summer holidays, and always at the time of the Common Riding at the end of July.
